## Walk to End Alzheimer's Thank You

The 2026 Walk to End Alzheimer's of Ozaukee County is thrilled to announce the success of the walk! They saw around **429 walkers** on Saturday, September 26 in Port Washington, and **hit their fundraising goal of $120,000 and project to raise more than $135,000** by the end of the year. Because of you, they are in a new era of Alzheimer's treatment and early diagnosis. Through your continued support, they are empowering and mobilizing their community to give people access to early diagnosis, treatment, and quality care throughout their journey. Thank you for all that you did to help everyone get one step closer to a world without Alzheimer's disease and all other dementia.
